Subject

Details

Solo/Ens.	Thank You to those of you who were apart of a very successful solo/ensemble festival! From the bottom of my heart, I am truly grateful to you all. Parents, staff, students, custodians- it takes a village to put these events on and I was very satisfied with how the day went!
Mulch	Our annual Mulch Fundraiser is BACK! All mulch can be purchased here . It's almost Spring time GV Band Families - please consider your mulch purchase from the band! We will deliver it to you!!!
Winter Guard	Congratulations to our Winter Guard teams yesterday as they performed at the competition in Belton! We are so excited to see where you will take these shows the rest of the season! Best of luck this Saturday at the Blue Springs South competition.
Concerts	Our Gala Concert is an annual Spring concert we host at GVHS in the auditorium. This concert will feature all 3 concert bands and our percussion ensembles, and serves as a pre-cursor to the MSHSAA Large Ensemble Festival . This year, Large Ensemble is hosted at <u>Pleasant Hill HS</u> . Our Wind Ensemble and Percussion Ensemble will perform on Thursday evening and our Concert Band and Symphonic Band will perform on Friday. We do not have our assigned performance times yet, and will send an email as soon as we do. The event does not start until 4pm on both days. <u>Families & friends are welcomed and encouraged to attend the Large Ensemble performances!</u>
